THE 2007 ALL-MEMBER MEETING

**Clinical Management of
Common Pediatric Conditions**

Saturday, November 3, 2007

**DoubleTree Hotel
Mission Valley
7450 Hazard Center Drive
San Diego, CA 92108**

7:30 a.m. – 12:30 p.m.

COURSE DESCRIPTION

Clinical Management of Common Pediatric Conditions

This half-day workshop will discuss the latest indications and treatment options for common pediatric conditions as well as how to incorporate these skills into a primary care practice.

CONFERENCE OBJECTIVES:

At the completion of this four hour workshop, participants should be able to:

- Understand criteria for diagnosing depression in children and adolescents and providing appropriate treatment strategies.
- Identify and initiate appropriate evaluation and treatment for children with growth disorders.
- Identify and institute appropriate management of common childhood ophthalmologic disorders.
- Recognize childhood abuse and understand reporting criteria.
- Understand updated treatment guidelines for common childhood and adolescent medical problems.
- Recognize new formats for evaluation of development and behavior in children.
- Understand methods for early recognition of behavior and developmental problems in children.
